After the payment of the Issue Fee for the above-identified application, the Applicants received, from the European Patent Office, a Search Report dated July 8, 2005.

This Search Report cited references that a reasonable US Patent Examiner would consider to be important in deciding whether or not the claims of the above-identified application are patentable.

This Search Report could not have been brought before the Examiner before the payment of the Issue Fee because the Report was mailed on July 8, 2005 and the Issue Fee was paid on June 9, 2005.

To enable the Examiner the opportunity to give proper consideration to the references cited in the European Search Report dated July 8, 2005, the Applicants have filed, concurrently with this Petition, a Request for Continued Examination under 37

For all the reasons set forth above, the Applicants respectfully submit that it is proper to withdraw the above-identified application from issuance so that the Request for Continued Examination under 37 C.F.R. 1.114 can be granted and the references cited in the European Search Report, dated July 8, 2005, can be properly considered by the Examiner.

In conclusion, the Applicants respectfully request that the Honorable Commissioner immediately withdraw the above-identified application from issuance. Moreover, the Applicants respectfully request that the Honorable Commissioner immediately grant the concurrently filed Request for Continued Examination under 37 C.F.R. 1.114 so that the references cited in the European Search Report, dated July 8, 2005, can be properly considered by the Examiner.

The Honorable Commissioner is respectfully encouraged to contact the undersigned to discuss the circumstances warranting this Petition.

Accordingly, in view of all the reasons set forth above and the concurrently filed Request for Continued Examination under 37 C.F.R. 1.114 and an Information Disclosure Statement, citing the references cited in the European Search Report dated July 8, 2005, the Honorable Commissioner is respectfully requested to grant the Petition under 37 C.F.R. 1.313(c)(2) and immediately withdraw the above-identified application from issuance.
